We will be providing transport of sailing equipment for boats competing in the 2024 San Diego to Puerto Vallarta International Yacht Race and MEXORC 2024.

Contact us by February, 1, 2024 to let us know you will be using our service.

The following paperwork will be required to transport race related items to Marina Vallarta in Jalisco, Mexico;

- 1) Completed Letter of Authorization from boat owner or agent
- 2) Copy of the passport of the boat owner or agent
- 3) Copy of the boats documentation or registration paperwork
- 4) Copy of the boats Temporary Import Permit
- 5) Detailed list of every item we will be transporting

Items can be delivered by appointment to our home from February 17- 20, 2024. We will be collecting and weighing items in San Diego near the Shelter Island Boat Launch Ramp on February 21, 2024 from 8 am to 5 pm.

Cost is \$5.00/pound. This will be calculated by us and due in full when we receive your items. Payments can be made using cash, check, Zelle, or Venmo. Fee for returning gear is \$2.50/pound, paid in full when your items are returned to you.

The gear exchange will be March 1, 2024 in the Opequimar Boatyard, next to Marina Vallarta. Timing will be determined by the Mexican Aduana.

We will have a boat available to deliver your gear. A representative from your boat must be at the boatyard to claim your gear before it can leave.
